### **Tie-Breaking Procedure**

#### **Weekly Contest Tie-Breaker**

Contestants will be asked:

**"How many valid entries will be received this week?"**

If two or more contestants are tied for the highest score, the tied contestant whose answer is closest to the actual number of valid entries received that week, without going over, will be declared the winner.

### **Championship Round Tie-Breaker**

Contestants will be asked:

**"How many total correct answers will be submitted by all Championship Round finalists?"**

If two or more contestants are tied for the highest Championship Round score, the tied contestant whose answer is closest to the correct answer, without going over, will be declared the winner.

If all tied contestants exceed the correct answer, the contestant whose answer is closest to the correct answer will be declared the winner.

If a tie still exists after application of the tie-breaker, the winner will be determined by a coin flip conducted by WKTN management.
